

## 2013 Elders EP Champion Hogget Ram of The year

White River took first and third place in the competition which was held as part of the EP Stud Merino Breeders Association at the Wudinna Showgrounds on Monday July 8th.

Hogget ram competition judge Peter Meyer Mulloorie Brinkworth, was full of praise for all the Eyre Peninsula stud breeders on display.

"It's great to see that each year the crowd for this event is getting bigger" he said. I congratulate all the breeders on their sheep, their presentation is absolutely outstanding". Mr Meyer could not go past the White River one year, three month old ram for first. The ram had 18.7 micron wool with 3.1 SD, 16.6 CV, and 99.9 CF.

"This ram has got structure and bone," he said. "The softness and quality in his wool is outstanding".

"He's a perfectly square balanced sheep with very good handling wool".
