LOT NO	MIC	SD	CV	CF	BWT	FAT	EMD
1	19.2	2.8	14.8	99.6	127kg	7.5	45.7

First son offered by Moorundie 061. This ram displays typical traits of this family with his plain body and fibre/meat qualities. He has excellent purity, poll factor and a white crimped medium wool on a safe body - makes him an ideal sale starter!

**Sire: M061 X Glenlea Park 030 Dam: Premier Family PP Gene**

**DOB: APRIL 2022**

LOT NO	MIC	SD	CV	CF	BWT	FAT	EMD
2	20.8	3.3	15.7	99.4	120.5kg	8.4	44.4

This ram has been a standout since a ram lamb. Coming from the successful "Smithy" family he is sure to impress. He has an exceptional length of body with a good topline and stands square front and back. He is covered with an extra long stapled white crimped sires wool suitable for all areas. This ram also has excellent poll factor and purity.

**Sire: Smithy Family X Glenlea Park 173 Dam: WR 546 PP Gene**

**DOB: MAY 2022**

LOT NO	MIC	SD	CV	CF	BWT	FAT	EMD
3	20.6	2.6	12.7	99.8	117.5kg	6.4	44.9

A tall long bodied ram with a good conformation. He has an exceptional wool growing skin that produces long stapled lustrous deeply crimped sirey wool. His pedigree is exemplary.

**Sire: WR 546 Family X Nyowee 134 Dam: WR 733 x Premier PP Gene**

**DOB: MAY 2022**

Sale day we will have live bidding and audio streaming of the sale via Auctions Plus, make sure you register with Auctions Plus well before sale day for any online bidding.

### Reminder:

We offer our clients complimentary sheep classing and flock advice.

Ram deliveries can be arranged if required, however we shear for two week following the sale so it will need to work around that.

ASBVs available on full sale team upon request.
