LOT NO	MIC	SD	CV	CF	BWT	FAT	EMD
1	21.6	3.3	15.1	99.2	118kg	7.3	41.6

First son offered by WR 067 (Riverina Wool Australian Champion hogget Merino Ram 2022). This ram stands with excellent structure from the front to the back. He is covered in a well nourished, long stapled wool, with a deep crimped sires wool. He has excellent poll factor and purity.

Sire: WR 067 Dam: Moorundie 388 PP Gene

Regulation Feb Shorn DOB: June 2023

LOT NO	MIC	SD	CV	CF	BWT	FAT	EMD
2	21.2	2.2	10.4	99.9	130kg	6.8	43.7

This ram is a tall upstanding ram with a strong sirey muzzle, excellent purity and great basic correctness for such a big ram. His long, wide deep body is well covered with a deeply crimped sires wool, his excellent wool test figures reflect the quality of his fleece.

Sire: WR 882 X PB 948 Dam: WR 881 Daughter PH Gene

Regulation Feb Shorn DOB: April 2023

LOT NO	MIC	SD	CV	CF	BWT	FAT	EMD
3	20.2	3.4	16.7	99.0	120kg	7.1	43.0

Also sired by WR 067. This ram is a very safe, well structured ram with all the modern ram breeding traits. He carries a bright, white, deep crimped ram breeding fleece with a excellent poll factor and purity and a soft sirey muzzle.

A ram to watch!!

Sire: WR 067 Dam: Moorundie 388 PP Gene

Regulation Feb Shorn DOB: June 2023

WHITE RIVER

POLL MERINO STUD

Reminder:

We offer our clients complimentary sheep classing and flock advice.

Sale day we will have live bidding and audio streaming of the sale via Auctions Plus, make sure you register with Auctions Plus well before sale day for any online bidding.

Ram deliveries can be arranged if required, however we shear for two weeks following the sale so it will need to work around that.

ASBVs available on full sale team upon request.
